

TEKNOFEST 2024

Technology Competitions Application Guide

Applications are open for TEKNOFEST, where the world's most important technology competitions take place!

To be a part of TEKNOFEST Aerospace and Technology Festival, you can follow the application steps below and apply for the competition in your field of interest.

TEKNOFEST 2024 TECHNOLOGY COMPETITIONS APPLICATION GUIDE

TEKNOFEST competition applications are accepted through T3 Corporate Management System (t3kys.com). All processes and document submissions, including the application phase of the competition, are carried out using this platform. Therefore, you need to sign up for T3 CMS first to apply TEKNOFEST technology competition you desire to compete in. The application steps are as follows:

In order to apply for any of the TEKNOFEST competitions via CMS, you must first have an account. If you have an account on CMS, you can access the login screen with the link www.t3kys.com. There are two options for logging in: Login by Email and Log in via ID Number. You can log in by selecting one of these options.

The screenshot shows the login interface of the T3 Corporate Management System. At the top right, there is a 'Language' dropdown menu. The central logo consists of three interlocking shapes in blue, red, and yellow. Below the logo, the text reads 'Corporate Management System' and 'Turkish Technology Team'. A 'Sign up' button is positioned below the team name. Two login options are provided: 'Log in via email' (highlighted in orange) and 'Log in via ID Number'. The 'Log in via email' option is selected. Below these options, there are input fields for 'E-mail' (Email address) and 'Password'. A CAPTCHA section includes a checkbox for 'I'm not robot.' and a 'reCAPTCHA' logo. At the bottom, there are links for 'Forgot my password' and 'Remember Me', and a large orange 'Log in' button.

If you do not have an account, please click on the **"Sign Up"** button on the login screen to create an account, then a page containing the relevant fields will appear. On this form screen, Panel Information, Personal Information, Address Information and Education Information are requested from you. After making sure that you have filled in all the information on the screen completely and correctly, check the option **"I have read, understood and accept the Consent regarding the Protection of Personal Data"** and click the **"Sign Up"** button. Then, you can sign in from the **login screen** with the information you provided while creating your account.

CREATE TEAM

Before applying to TEKNOFEST technology competitions, each competitor must form a team even if it is a one-person team, individual applications are not accepted. Even if you may need to update your team in the future, create your team and apply to TEKNOFEST technology competition you desire to compete in. You can update your team even after applying to TEKNOFEST competitions for a period determined by TEKNOFEST. You can follow the steps below to set up a team.

On the home page, please click on the "Profile" button from the right top corner and select **"My Team Information"** on the drop-down menu. On this page, you can see the teams you have been invited to and the teams you are already a part of. If you already have an active team to apply for, you do not need to create a new team. If you want to activate an inactive team and continue with that team, click on the **"Copy"** button under the **"My Teams"** field. Then, a new team creation page will appear with your old team information included, and you can update it. By updating the information on this screen, you can create an updated version of the team with the same name.

Approximately 32 Registration is Listed Create New Team

TEAM NAME	TEAM NAME	TEAM FOUNDING YEAR	NUMBER OF TEAM MEMBERS	TEAM ACTIVITY AREA	MEMBER OPERATION	ACTIVITY	OPERATION
-----------	-----------	--------------------	------------------------	--------------------	------------------	----------	-----------

If none of these steps is applicable for your situation, you can proceed to the **Team Formation page** by clicking on the **"Create New Team"** button from the right bottom corner of the page. Make sure that you fill in the form on this screen with complete and correct information. There are some situations you should pay attention to here:

+ Team

Team Name*

Number of Team Members (excluding Advisors)*

Team Foundation of Year*

Type of Team*

Type of Team institution*

School Type of the team

Team Education Level (Choose your level of education according to your team member who has the highest level education excluding advisor.) (Graduate teams are expected to state their level of education considering education levels of their members excluding their advisor.)*

Team School (Choose your team's school according to the school with the highest number of team members.) (Teams at the graduate level must declare their information according to the last school their team members completed.)*

The "Team Type" field is for indicating your team's affiliation with any institution or school. The school and institution of the team members are not important in this regard. If the team is not affiliated to any institution or school, **"INDEPENDENT APPLICATION"** should be selected in this question and **"I DO NOT HAVE AN INSTITUTION"** should be selected in the Team Institution Type question. Other information should be filled in according to the description. If the option you want to fill in the optional questions is not among the options, you can check the **"Other"** in the options and write your answer in the text box that appears. After filling in all the information, you can create your team by clicking on the **"Complete Team Registration"** button. When you complete team creation proces, you will receive an email indicating that your team has been created. Following the email, your team will appear on your T3 CMS account under your team page.

Country of the Team (Please select the country whose citizen most of team members are or the country you would like to represent)*

Choose

Province of Team (Please select the province where most of team members reside or the province you would like to represent)*

INVITOR	INVITED ID	INVITED EMAIL	INVITED ROLE	INVITATION STATUS	OPERATION

This invitation is sent to both the email address and the My Team Information page on the T3 CMS account of the invited member, and if he/she accepts the invitation, he/she becomes a member of that team.

For adding and removing team members, please open the team page and use the buttons under "**Operation**" field. You can request to remove the relevant person by clicking the "**Request Removal from Team**" button next to the member you want to remove.

MEMBER TC / PASSPORT	NAME	MEMBER EDUCATION LEVEL	MEMBER ROLE	COMMUNICATION RESPONSIBILITY	OPERATION
		UNDERGRADUATE	Member ▾	Make Communication Manager	
		UNDERGRADUATE	Advisor ▾	Make Communication Manager	
		UNDERGRADUATE	Advisor ▾	YES	X Request for Getting out of the team

When a removal request is sent, other members must approve the request for the member to be removed from the team.

After completing the team formation step, you can return to the Home page and click on the "**Apply to TEKNOFEST Technology Competitions**" button to view all competitions for which the application process is ongoing.

List of 2024 TEKNOFEST Technology Competitions

🏠 Main Page • List of 2024 TEKNOFEST Technology Competitions

🔍 Find

 2024 Agricultural Technologies Competition	 2024 Artificial Intelligence Competition in Transportation	 2024 Artificial Intelligence in Healthcare Competition	 2024 Barrier-Free Living Technologies Competition
 2024 Biotechnology Innovation Competition	 2024 Chip Design Competition	 2024 Educational Technologies Competition	 2024 Efficiency Challenge Electric Vehicle Races
 2024 Environmental and Energy Technologies Competition	 2024 Fighting UAV Competition	 2024 Financial Technologies Competition	 2024 Flying Car Simulation Competition

Choose the competition that matches your project idea, education level and application conditions. For detailed information about the competitions, application conditions and specifications, you can visit the page of the competition you have chosen via <https://teknofest.org/en/competitions/>.

The screenshot shows the '2024 Environmental and Energy Technologies Competition' page. It features a navigation bar with a home icon, 'Main Page', and the competition name. Below the navigation bar, there is a 'Competitions' section with a sub-header 'All competitions that are open within the scope of TEKNOFEST'. A table lists three competition categories: 'University Level and Above', 'High School Level', and 'Primary/Middle School Level'. Each row includes a small image of a rocket, the competition name, a 'List of Conditions' icon, the latest application date 'Feb. 20, 2024', and an 'Apply' button with a right-pointing arrow.

After clicking the "Apply" button next to the competition category you have chosen, the application form will appear on the screen. In the form, you can select a team you have already created or create a new team. Explanation is available on the relevant page. In addition, your project details are requested on the relevant screen. Make sure that you fill in the application form on this page completely and correctly. If you click on the "Apply" button, your application will be completed and you will receive an email stating that your application has been approved. You can update your application information during the application period continues.

The screenshot shows the '2024 Environment and Energy Technologies Competition Primary/Middle School Level Preliminary Application Form'. The form is titled '2024 Environment and Energy Technologies Competition Primary/Middle School Level'. It contains several sections: 'TEAM' with a dropdown menu labeled 'Choose...' and a link '(Add a team if you don't have one Click)'; 'PROJECT TITLE' with a text input field; 'PROJECT DESCRIPTION' with a larger text area; 'HAVE YOU APPLIED BEFORE?' with a dropdown menu labeled 'Choose'; and a checkbox for 'I have read, understood and accept the terms of Environment and Energy Technologies Competition, Specifications, which I have applied on the 2024 Teknofest Website.' Below this is a reCAPTCHA widget with the text 'I'm not robot.' and the reCAPTCHA logo. At the bottom of the form is a blue 'Apply' button with a right-pointing arrow.

The screenshot shows a confirmation page for a Teknofest team application. At the top, there is a red checkmark icon and the title "Your Teknofest Team Application Has Been Received". Below this, there are several sections:

- Message Title:** Environment and Energy Technologies Competition
- Project Description:** Environment and Energy Technologies Competition
- Applicant Team Name:** TAKIM
- Team ID:** #268988
- Application ID:** #1286518
- Name of the Competition Applied:** 2024 Environment and Energy Technologies Competition Primary/Middle School Level
- Application Date and Time:** Dec. 23, 2023, 5:24 p.m.
- Team Member List:** (Empty list)

At the bottom, there are two buttons: "Download" and "My Applications".

After the application is completed, the "**Your TEKNOFEST Team Application Has Been Received**" page opens. You can view your **Team ID** and **Application ID** on the relevant page. An email will be sent to your email address about the competition you have applied for, as shown in the image below.

TEKNOFEST | 2024 Environment and Energy Technologies Competition Primary/Middle School Level

 bilgi@t3kys.com

Dear Competition Candidate;

Your application for the **2024 Environment and Energy Technologies Competition Primary/Middle School Level** has been successfully completed.

[CLICK](#) to view your application.

Team Name: TAKIM
Team ID: 1286518

You can follow your competition process by logging in with your [LOGIN](#) competition Username and Password.

**You must not use and review for your right of retention for the competition.

** For your questions, you can contact me via iletisim@teknofest.org
